

NEW CORONAVIRUS

TEN BEHAVIORS TO FOLLOW

1. Wash your hands often with soap and water or alcohol-based gel
2. Avoid close contact with people suffering from acute respiratory infections
3. Do not touch your eyes, nose and mouth with your hands
4. Cover your mouth and nose with disposable tissues when you sneeze or cough. If you don't have a handkerchief, use the intern of your elbow crease
5. Do not take antiviral drugs or antibiotics unless they are prescribed by your doctor
6. Clean the surfaces with chlorine or alcohol based disinfectants
7. Use the mask only if you suspect that you are sick or if you assist/care sick people
8. Products "Made in China" and packages received from China are not dangerous
9. Pets do not spread the new coronavirus
10. Do you have respiratory symptoms and have you been in contact with a confirmed case of COVID-19 from 2 days before the onset of its symptoms up to 14 days later?
Do not go to the Hospital, to the Emergency Room or Clinic but call:
 - your doctor / pediatrician
 - 118 in case of emergency

You have no respiratory symptoms but you have been in contact with a confirmed case of COVID-19 from 2 days before the onset of its symptoms up to 14 days later? Did you return to Italy from abroad?

You MUST stay at home and report it to the Public Health Service of the USL of Modena:

- call 059.3963663 (active seven days a week from 8:00 to 20:00)
- write at coronavirus@ausl.mo.it indicating a valid telephone number to be contacted

For information you can contact the Regional Toll-Free Number 800.033.033, active seven days a week from 8.30 to 18:00

* The epidemiological risk areas are those identified by the World Health Organization
